

Online workshop for project generation in INTERREG Central Baltic Programme Targeted Call

6th February from 13.00 to 15.00 (CET +1)

Regional Councils in South-East Finland welcome organisations interested in the targeted Call in Interreg Central Baltic Programme to a project generation workshop.

All actors interested in applying for funding in Central Baltic Programme targeted regular project call are welcome to participate. The event is open for all actors eligible for applying funding or acting as a project partner from Central Baltic Programme.

The workshop offers participants a space and a chance

- to discuss on Central Baltic programme objectives open in targeted call,
- share and discuss their project ideas
- and create partnerships with other organisations

After opening session, the participants will work in thematic workshop in small groups, formed on basis of different programme objectives.

Workshop does not provide official funding information related to the targeted call. For this kind of information, please check the Central Baltic programme applicant events: [2024 applicant events - Central Baltic](#)

We warmly recommend you to get familiar with the programme objectives beforehand: [Programme objectives - Central Baltic](#)

Workshop is organised in Teams. Register in the workshop [here](#). Registration is open until 5th February 11.00 (CET).
